TEAM CUP REGISTRATION

The purpose of the Team Cup Competition is to provide athletes with an experience similar to that which they might experience as a college gymnast. The **top three teams** from Friday evening competition will compete on the floor on Saturday afternoon. After the Team Cup competition that evening, you will be able to observe a great men's collegiate competition between the Gym Act College Club Teams.

The 2020 MIGS Program National Invitational on Friday serves as the qualifying meet for the Team Cup on Saturday. Therefore, any athlete competing in the Team Cup Competition **must** compete in the Friday Session as a Level 9 or 10. A Team may use athletes in L-9 & L-10 in the Team Cup Competition. However, all competitors in the Team Cup Competition will be evaluated according to Junior Olympic Level 10 Rules. Therefore, a gymnast competing in the Team Cup Preliminary will receive a score based on respective rules for their Primary Level plus a score based on Junior Olympic Level 10 Rules during the Invitational Competition on Friday for qualifying purposes.

Competition rules for the Team Cup are as follows:

- 12 man Roster (You will fill out your roster prior to Friday's competition.)
- 5 designated gymnasts compete per event
- 5 scores per event count toward final team score

The Entry Fee for Team Cup Competition is an additional non-refundable \$200/Team above and beyond the registration fees associated with the National Invitational.

If you choose to compete in the Team Cup, please fill out the form below and submit it along with your other registration material and attach a separate check for \$200 made out to the MIGS Program.
